

The Canadian Journal of Critical Care Nursing

ADVERTISING INFORMATION 2020

Circulation

The Canadian Journal of Critical Care Nursing (CJCCN) is the only peer-reviewed critical care journal in Canada. Each issue of CJCCN is distributed to members of the CACCN, individuals, and institutions interested in critical care nursing – more than 1,300 in total. The journal covers topics related to clinical care and evidence-based practice, education, management, research and professional issues in critical care nursing.
