

The Canadian Journal of Critical Care Nursing

ADVERTISING INFORMATION 2021

Circulation

The Canadian Journal of Critical Care Nursing™ (CJCCN) is the only peer-reviewed critical care journal in Canada. Beginning in 2021, approximately 1,200 CACCN members will have online access to the digital journal on the new journal website and will receive notification when each new issue is available. A limited number of hard copies will be printed for our subscribers.

The journal covers topics related to clinical care and evidence-based practice, education, management, research and professional issues in critical care nursing.
